MAGA is the new swastika.

Houston Wade I support violence, but only against Nazis.

Nonviolence doesn't work on Nazis. Nonviolence requires ones opponent to have a conscience. Nazis do not have a conscience. Bash them until they crawl back under the rug and them jump up and down on the rug.

Houston Wade Antifa can do whatever they want if it rids us of Nazis. FDR and Churchill had the same agreement with Stalin.

I am anti-**nazi**, so yes, I am antifa. You are pro-fascism since you are against those who are against Nazis.

No, that line of thinking is what won the Allies WWII against the Nazis. You appear to not know history, ideology, philosophy, or even what certain words mean.

Antifa hasn't made a single false allegation. Every single one is well documented and with ample evidence.

Antifa only exists because Nazis exist. If Nazis cease to exist then antifa ceases to exist. If suddenly antifa ceased to exist, Nazis would run the world.

Are you for or against fascism?

Went through TSA with my [#MAGA](#) hat on to remind everyone that their jobs are disposable and they're non-essential. Their paychecks come from someone else's paychecks. What a world we live in where we accept that.

Why have I decided not to share the [#CovingtonCatholic](#) kid's name? Because he's a kid.

A dumb kid. Maybe a racist kid. (more on this in a second)

But he's still a kid. Yes, I have confirmed he is under 18.

I am all for ruining a life. If they want to exhibit character, then they have to seek forgiveness and offer penance for their actions. Until then, were protecting assholes and their behavior.
